

Installing the *We Count* App on Windows 10

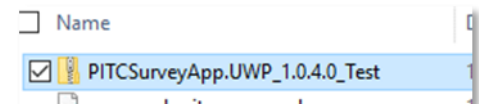

For any Windows 10 tablet or smartphone:

1. Download the ZIP file to your Windows 10 device from www.cceh.org/app

Simply navigate to the Windows 10 installation section, and click on the ZIP file.

2. Extract the PITCSurveyApp.UWP_1.0.4.0_Test compressed folder by right clicking and choose “Extract All...” menu

2

3. Double click on the resulting folder to open it

4. Right click on the “Add-AppDevPackage” file and choose the “Run with PowerShell” menu

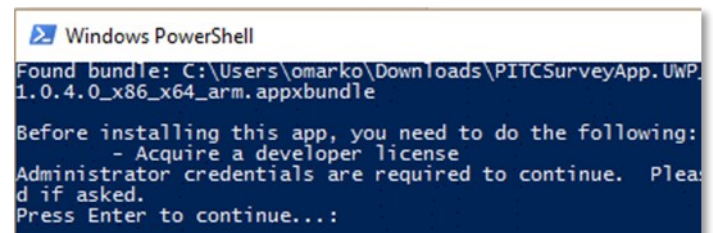

4

5. You will be prompted to press “Enter” to continue. Press Enter on your keyboard.

6. You will be prompted to allow changes. Press Yes.

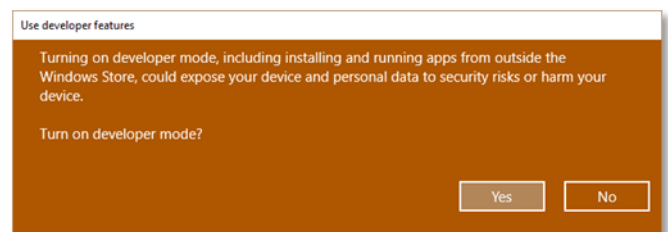

5

7. The settings page will open. Select “Developer mode” and press “Yes” on this screen that pops up.

8. Press the Start button on Windows and you should see the “We Count” app in your recently installed list.

7

If you are still having trouble installing the application, please email **Brian Roccapriore** at broccapriore@cceh.org or call 860-721-7876.
