

# CT Point-in-Time Count 2017 - New Haven

## People Experiencing Homelessness: Sheltered and Unsheltered

On the night of January 24, New Haven counted **543** people experiencing homelessness, **142** of them children

## Changes in New Haven PIT Numbers

## % Change 2016 to 2017

## Chronicity and Veteran Status

### 2017 CT Youth Count!

Youth are significantly under-counted in the Point-in-Time Count. A Youth Count was held separate from, but in conjunction with, the PIT Count.

An estimated **4,396** youth under age 25 reported being homeless or unstably housed on the night of January 24 in Connecticut.

## Health and Safety

CT PIT collects data on a number of common service needs that are shared by a large proportion of individuals facing homelessness. By using this information about health and safety needs, more targeted interventions that allow a focus on well-being in addition to housing can be developed.

## What is CCEH?

The Connecticut Coalition to End Homelessness, in partnership with members and communities throughout the state, creates change through leadership, advocacy, and building the capacity of members and the field to respond to environmental challenges. Our collective mission is to prevent and end homelessness in Connecticut.
