

We want to let you know that for everyone's safety the Liberty Day Program will be reducing services effective immediately.

That means ^{*}that drop-in services will be halted temporarily. However, if you require Liberty Day Program case management services, you can make an appointment. To make an appointment, please call the one of the following staff members: Barbara at 203-487-2306, Kyle at 203-497-2321 or Victoria at 203-497-2302. You may also make an appointment through the security guard.

Otherwise, bagged lunches will be available to pick up at the security desk starting at 12:30, Monday through Friday.
