

## CT CAN End Homelessness Legislative Agenda Update

We have made some minor updates to the 2023 [CT CAN End Homelessness Legislative Agenda](#). Please use this version going forward.

This legislative agenda is the first step in addressing the unprecedented challenges we are facing in our effort to prevent and end homelessness. Together, we are asking the legislature to invest **\$50 million** to ensure that homelessness is infrequent and short-term, saving lives and public dollars.
