Central CT	0	0	4	57	26	87
Totals	19	27	42	501	212	801

Let's work together to address the urgent needs of our community and ensure that everyone has a safe and warm place to call home.

Bi-weekly throughout the cold weather season, the Connecticut Coalition to End Homelessness (CCEH) will release updated data on the number of people sleeping outside, in tents, and in places unfit for human habitation across Connecticut.

Data Source: This information is sourced from regional Coordinated Access Networks and is collected by dedicated outreach workers. The data provides a real-time snapshot of the challenges faced by those experiencing homelessness in our state. Notably, these figures represent only those individuals identified by outreach teams as unsheltered as of January 15, 2024.

Stay Connected: To stay updated on the latest figures and for more information, please contact Katherine Whitney at kwhitney@cceh.org.
