

# STABILIZE & STRENGTHEN THE GREATER HARTFORD COORDINATED ACCESS NETWORK

## Stabilize and Strengthen the Homeless Response System

Connecticut must make an investment of \$20 million to strengthen and stabilize our Homeless Response System. **Our communities are still witnessing an unprecedented 14% rise in homelessness year over year<sup>1</sup>.** Our homeless response system needs reliable, annual funding, without which our state will continue to see staggering numbers of people facing homelessness – and be unable to meet the rising need.

**1147** people in Greater Hartford CAN experienced homelessness over a two week period<sup>2</sup>, including:

**84**  
Family households with

**82**

The Connecticut Coalition to End Homelessness (CCEH) developed the CT CAN End Homelessness Legislative Agenda. Our Legislative Agenda reflects the input received from homeless response providers, front-line staff, agency partners, and people with lived experience of homelessness from across the state. Together, we envision a Connecticut where everyone, no matter their race, income, or background, can live in dignity and peace with a place to call their home.
